

USER MANUAL

# WEIGHTED BLANKET

Important: Read the user manual carefully  
and keep it for future use.

moonboon  
designed for better sleep

# IMPORTANT INFORMATION

**WARNING!**

Do not use in combination with a sleep bag or blanket.

**WARNING!**

Ensure the child's full face is always uncovered.

**WARNING!**

Keep away from fire.

**WARNING!**

Stop using the blanket at the first signs of damage. If threads are coming loose or there are signs of beads escaping you should stop using the blanket immediately.

**WARNING!**

Regularly check the weighted blanket for signs of damage.

**WARNING!**

Do not use for children under 12 months of age.

**WARNING!**

Do not fold the weighted blanket in multiple layers.

**WARNING!**

The child must be able to remove the weighted blanket on their own.

**WARNING!**

The weighted blanket is not a toy and should never be treated as such.

# USER MANUAL

The weighted blanket is designed to have a calming effect and help the child relax and find their calm as a prerequisite for better sleep. It's ideal for winding down at the end of the day, for bedtime, or for moments preceding, during, or immediately following sleep.

For use during nighttime, we recommend using the blanket in conjunction with conventional duvet bedding.

## MATERIALS

The Moonboon weighted blanket is made from organic cotton, which is a soft and comfortable material that promotes good quality sleep. The weight is provided by tiny glass beads that are safely contained within our unique Secure Cell System. Not only does this keep the beads safely inside the layers of fabric, but it also provides an even distribution of weight.

## WASHING INSTRUCTIONS

The weighted blanket can be machine washed on the cotton setting at 40°C. It can also be tumble dried and ironed on low heat.

Air dry on a drying rack.

Avoid bleaching or using detergents that contain bleach.
